PACKING LIST

The following clothing list is intended to guide you in packing for camp. The quantities specified are based upon laundry being washed once a week and taking 2 days to return. It makes no difference how long the camper is scheduled to attend camp. However, modify this list as your child’s specific needs require.

While packing, please remember extremely brief or sheer garments are not appropriate dress (mini shorts, see-through clothing, etc.). The camper’s underwear should be completely covered by outer clothing. Graphics that are suggestively obscene or offensive (alcohol, drugs, obscenities or words with double meanings) on any garment are prohibited and will be confiscated.
