

Dear Camp Lohikan Families,

Greetings from Lake Greeley Camp!

We know learning of my brother's decision to retire and the resulting closure of Camp Lohikan brings a mix of emotions - gratitude for the memories, sadness for what is ending, and uncertainty about what comes next. While no camp can replace the one that has been such an important part of your family's summers, we would be honored to welcome you to ours.

As the directors of Lake Greeley Camp, we share many of the same values that have made your camp experience so meaningful: creating a place where children feel they belong, discover new interests, build confidence and independence, and form friendships that last well beyond the summer. We believe camp is more than the daily and evening activities we offer, it's about the relationships, the laughter, the moments of growth, and the feeling of coming home each summer.

If you decide to continue your camp experience at Lake Greeley Camp, our entire staff is committed to making this transition effortless. Whether your child is excited about a new adventure or feeling nervous about leaving behind familiar faces and traditions, we understand that every camper's journey is different, and we will do everything we can to help your child feel welcome from the very beginning. In addition, Lake Greeley Camp will:

- Accept bunk requests between former Camp Lohikan campers. If your child would like to bunk with a friend who also attended Camp Lohikan, we will honor that request while adhering to Lake Greeley Camp's bunk request policy.
- Recognize the years a Camp Lohikan camper has spent at the camp and include those years when calculating Lake Greeley Camp's camper loyalty awards. For instance, if a Camp Lohikan camper's fifth summer is spent at Lake Greeley Camp, that camper will receive a five-year jacket that commemorates his/her summers at both camps.
- Extend our First-Time Camper Guarantee to Camp Lohikan campers who are attending Lake Greeley Camp for the first time.

We would love the opportunity to get to know you, answer your questions, and share what makes our camp special. Following the conclusion of our current summer camp season, we will be hosting camp tours and our inaugural Fall Open House for families to meet our staff, learn about our programs, and see firsthand the caring, energetic community we've built. Our fall

schedule of camp tours can be found on our [Camp Tours](#) webpage.

We know this summer marks the end of one chapter, but we hope it can also be the beginning of a wonderful new one. We would be delighted to welcome your family into our camp community and create new memories together for years to come.

We look forward to meeting you soon.

Best regards,
Matt, Sr., Rose, and Matt, Jr.
